

Terms of participation for the Battery Expert Forum

The following participation terms and conditions apply to all forum, conference, seminar and training events of the BMZ Group. Deviating general terms and conditions of the participant are not valid. In addition, the "General Information" attached to the respective conference programmes applies.

The Organiser is:

BMZ Germany GmbH
Zeche Gustav 1
63791 Karlstein am Main
T: +49 6188 9956 0
E: info@battery-experts-forum.com

1. Registration/Registration Confirmation

1.1 The offers of BMZ Germany GmbH are always non-binding.

1.2 Registration is required for participation in our events. Registration can be done via the Internet, letter or email. It must be completed in full and sent to the Organiser in accordance with these Terms of Participation.

1.3 Registration becomes legally binding through our confirmation, which usually takes place via email. The reference to a completed registration does not represent confirmation. If reference is made to processing deadlines, these are not binding.

2. Registration deadline, number of participants

The registration deadlines result from the respective offerings. The number of participants per event is limited. Since by experience, the demand exceeds the offered participation places, early registration is recommended. The time of receipt of an application is the determining factor.

3. Venue location

The venue location is stated in the respective invitation to register. Currently, this is: Messe Frankfurt, D-60327 Frankfurt am Main

4. Event times, event content

4.1. The event times result from the respective invitations. These are not binding. We reserve the right to cancel individual events, e.g. in case of illness of a lecturer/speaker. We endeavour to notify participants of cancellations or necessary changes, in particular a change of lecturers, as soon as possible.

4.2 Programme changes are expressly reserved, as long as the overall character of the event is respected. Changes of speakers, insignificant changes in the scheduling of events or a reasonable transfer of the venue do not entitle the participants to reduce the price or withdraw from the contract.

5. Termination, cancellations, cancellation fees

5.1 After the beginning of the event, an ordinary termination is no longer possible. The minimum contract term lasts until the end of the event. The right to terminate for good cause remains unaffected. The termination must be in writing. The decisive time for setting the deadline is the organiser's receipt of the termination statement.

5.1. Participants may terminate or cancel their registration up to 3 days before the event date. The cancellation must be made in writing (letter) or by e-mail to info@battery-experts-forum.com. A telephone termination/cancellation is not possible.

5.2 The following cancellation fees shall apply:

- For cancellations up to 8 weeks before the event: 50% of the participation fee.
- For cancellation of participation submitted 4 weeks before the event: 80% of the participation fee.
- For cancellation less than 4 weeks before the event or non-participation: 100% of the participation fee

5.3 A substitute participant may be appointed. For this purpose, the name and address of the substitute participant must be communicated in advance by e-mail to info@battery-experts-forum.com.

7. Liability

7.1 Liability is excluded unless it is covered by one of the exceptions stated.

7.2 We are liable for damages that are based on an intentional or grossly negligent breach of duty by BMZ Germany GmbH, its legal representatives or vicarious agents. Furthermore, liability for injury to life, limb and health, for breach of essential contractual obligations and in the Product Liability Act remains unaffected. Significant contractual obligations are those whose fulfilment is necessary to achieve the objective of the contract and on the compliance with which the contracting party relies and regularly relies. 8.2 If due to a force majeure or other reasons for which it is not responsible (e.g. a loss of power supply), BMZ Germany GmbH is forced to vacate one or more exhibition area temporarily or for a longer period of time or postpone or shorten the event, no withdrawal or termination rights shall apply. A refund of already paid participation fees shall not take place.

11. Applicable law, jurisdiction and place of performance

12. Severability clause

Should any provision contained in these conditions be or become ineffective or should a gap arise, this shall not affect the validity of the remaining provisions.
